Color Guard Reporting Form

The Molly Pitcher Medal

Many women who are the wives, daughters, sisters, girlfriends, and other female relatives and companions of SAR Color Guardsmen routinely and with great dedication support their SAR Color Guardsman and the SAR Color Guard. The Molly Pitcher Medal may be awarded to women who have supported the SAR Color Guard at the State, District and National Levels. The Medal is silver in color, and depicts a likeness of Molly Pitcher. It is available only in miniature. Its precedence is higher than NSSAR Specialty Medals, but lower than the Charter Centennial Medal. The Molly Pitcher Medal may be awarded only once; oak leaf clusters are not permitted.

Earning the Molly Pitcher Medal

To earn the Molly Pitcher Medal, a woman must be present at, and support, the SAR Color Guard at qualifying SAR Color Guard events. The same events that count toward earning the SAR Silver Color Guard Medal for SAR Color Guardsmen shall also count toward earning the Molly Pitcher Medal. In addition, participation in, and support of, State events, such as a State Society Annual Meeting or a State Society Board of Managers/Governors Meeting, shall also count toward earning the Molly Pitcher Medal.

A woman may be said to 'support' the SAR Color Guard by participating in SAR Color Guard events wearing Revolutionary-era attire, or by bringing refreshments for participating SAR Color Guardsmen, or by providing some other tangible support for her SAR Color Guardsman. However, merely attending an SAR Color Guard event shall not be deemed as 'support' for the purposes of earning the Molly Pitcher Medal.

Before a woman may be awarded the Molly Pitcher Medal, her husband or other male companion must have been awarded the SAR Silver Color Guard Medal.

The Molly Pitcher Medal should be presented, as appropriate, by the District Vice President General, by the State President, or by the District or State Color Guard Commander. Under special circumstances, the Molly Pitcher Medal may also be presented by the President General or the National Color Guard Commander.

Women who believe they qualify for the Molly Pitcher Medal must complete the appropriate form, setting forth their qualifications. This form is available on the SAR website, and must be submitted to the State or District Color Guard Commander for review and recommendation, and then to the National Color Guard Commander for final authorization to award the Molly Pitcher Medal.

A. Point System

To earn the Molly Pitcher Medal, a woman must accrue at least three hundred (300) points by participating in qualifying State, District and National Color Guard events for at least three years. She may take longer to accrue the requisite 300 points, but even if she accrues 300 points or more within three years, she may not be awarded the Molly Pitcher Medal for less than three years of service. The requisite three years do not need to be continuous; a year shall be any period of twelve consecutive months. A woman supporting an SAR Color Guardsman shall earn ten (10) points for her presence and support at each qualifying State Color Guard event, twenty (20) points for her presence and support at each qualifying District and National Color Guard event. (Mileage may also count, as currently set forth in the NSSAR Color Guard Handbook.) Any additional events necessary to get to 300 points may be submitted on additional forms. Just add to the form name the form number and the total number of forms submitted – example ("**MySociety Molly Pitcher Reporting Form 2 of 2.PDF**").

B. Events System

To earn the Molly Pitcher Medal, a woman must participate in at least three State, District, or National events in each of three years. The requisite three years do not need to be continuous; a year shall be any period of twelve consecutive months.

(Retroactive Effectiveness: Women, who are actively supporting an SAR Color Guardsman and the SAR Color Guard at the time this Medal is authorized, 28 September 2012, may count toward earning the Molly Pitcher Medal any qualifying SAR Color Guard events in which they have participated during the two years prior to the authorization date.)
