## CHAPTER ENTRY FORM

The chapter entry form below is for convenience of the state and chapter chairmen. It is similar to the one for state entries to national which will be included in the March National contest registration packet.

For the national contest, a signed contestant entry form (Form B-Rev. 9/05) with biographical sketch, a copy of the oration and the contestant's photograph are required. It is recommended that the chapter obtain these materials for its contest passing them along to the state. With luck for your contestant, those materials can be sent on to national.

For the national contest, the deadline for state entries is **June 15**th, **2007**. It is suggested that state chairmen set similar deadlines.
